

INFO - ACCOMODATION

Dear PPAF 2026 participants,

PPAF 2026 is approaching and we would like to share with you some information that may be useful for organizing your trip to Serbia.

I would like to remind you that you can use the city bus number 72 from Belgrade „Nikola Tesla“ - International Airport to Zeleni Venac (last stop) for free, close to the center of Belgrade and close to the conference venue, as well as recommended hotel accommodations.

You can also use the shuttle transfer A1 from Belgrade Nikola Tesla International Airport to Slavija Square (last stop) close to the center of Belgrade and close to the conference venue, as well as recommended hotel accommodations.

Please inform us about your arrival time and number of people (arrival time, departure destination before arrival in Belgrade and flight number).

I would like to inform you (also displayed on the IAS website) that we have announced your potential arrival and interest in accommodation during the PPAF 2026 International Conference from 5-7 November. The hotel management has expressed its readiness to make reservations at special, very affordable prices for PPAF 2026 participants.

Reservations and all accommodation obligations should be made by Conference participants directly by contacting the reservation service. You should emphasize that you are a participant of the PAF 2026 Conference.

We recommend the following hotels that are located near the conference venue and have a certain number of rooms reserved for Conference participants.

More information about hotels and prices (bed and breakfast, half board available) is available at:

- 1) Hotel JARDIN ****- 260 m (4 min walk) from the conference venue E-mail: office@jardin.rs
- 2) HOTEL MERCURE BELGRADE EXCELSIOR, **** - 90 m (1 min walk) from the conference venue, E-mail: Ljubica.MARKOVIC@accor.com
- 3) HOTEL MARK ****-300 m (4 min walk) from the conference venue. E-mail: frontoffice@markhotelbelgrade.com
- 4) HOTEL MARQUISE -garni ****- 400 m (6 min walk) from the conference venue, E-mail: info@marquisehotel.rs
- 5) HOTEL PRAG ****- 600 m (9 min walk) from the conference venue, E-mail: sales-marketing@hotelprag.rs

Note: We do not recommend booking private accommodation/other hotels in Belgrade as you may have problems (long distance from the conference venue, inconvenient walking, no transportation to the conference venue) and vice versa, mostly private apartments cannot issue an invoice, so you may have problems with a refund from your institution - if any, etc.). If you book private accommodation/other hotels in Belgrade, the PPAF 2026 organizers do not bear any responsibility for your possible dissatisfaction.

IMPORTANT: For those who need a visa, we will send your request, please write to us and let us know how we can assist you.
