

Conference PPAF 2026.

"Plant Production in Agriculture and Forestry in the 21st Century"- PPAF 2026

November 05–07. 2026., Serbia, Belgrade, Kneza Miloša 9/ III,

First notice and call for submission of research articles

Dear colleagues,

We are pleased to inform you that Engineering Academy of Serbia (IAS) is organizing the International Conference, in cooperation with more than 10 domestic and 10 foreign scientific and higher education institutions, is organizing the International Scientific Conference entitled "**Plant Production in Agriculture and Forestry in the 21st Century**" (PPAF 2026), which will be held from 05th to 07th November 2026 in Belgrade, **Serbia**. Our goal is to present innovations and scientific results in agricultural and Forestry and to exchange knowledge, skills and experiences through an international scientific discussion. Also, establishing scientific cooperation between scientists and scientific institutions and exchanging knowledge, experience, and ideas, planning joint projects with the aim of improving science and practice in agriculture and related scientific fields, as well as connecting with social community entities, business institutions and developing awareness of the preservation and improvement of resources in agriculture and forestry as a limitless and indivisible good and the basis for food security and for the health of a safe environment. The presentation of achievements in science and practice in the field of agronomy and forestry represents a contribution to the dissemination of knowledge and implementation in practice, for the creation of new policies among decision-makers and their harmonization at the national and international levels.

At the Conference, research articles from the country and abroad will be presented according to thematic areas:

- Resources in Agriculture and Forestry
- Agricultural and Forestry Engineering and Biotechnology
- Climate Smart Agriculture and Forestry
- Food and feed science

Important deadlines:

Abstract Submission ends: May 20, 2026

Research article submission September 15, 2026

Early Bird Registration Ends: May 31, 2026

Attached is the first notification, and more detailed information about the Conference (honorary, scientific and organizational committee; instructions for writing papers; registration form; accommodation conditions, etc.) is available at the official Conference web address:

<https://www.ias.org.rs/>
