

Dr. Snežana Gošić-Dondo, entomologist, scientific associate

1. Bača, F., **S. Gošić-Dondo** and Ž. Kaitović (2007): European corn borer (*Ostrinia nubilalis* Hbn) population fluctuation at Zemun Polje between 1986 and 2005. *Maydica* **52** (3): 325-328.
2. Bača, F., **S. Gošić-Dondo**, J. Tancik and L. Cagan (2005): The application of *Beauveria bassiana* (Balsamo) Vuillemin and The European corn borer *Ostrinia nubilalis* Hbn infestation in Serbia and the Slovak Republic during 2004 and 2005. Book of Abstracts of the Conference Biological Methods in Integrated Plant Protection and Production, May 15-29, Poland, pp. 53-54.
3. Bača, F., Ž. Jovanović, **S. Gošić-Dondo** and M. Toth (2006): Effects of different growing systems on attractiveness of maize crop to beetles of *Diabrotica virgifera virgifera* Le Conte in Zemun Polje in 2003, 2004 and 2005 IWGO 22nd Conference, Session 3, November 5-8, 2006, Vienna, Austria, poster 003.
4. Bača, F., J. Lević, S. Stanković, L. Stefanović, M. Simić, **S. Gošić-Dondo** and S. Knežević (2007): Factors contributing to the population changes of major maize pests in Serbia. *Maydica* **52** (3): 343-347.
5. Bača, F., M. Vesković and **S. Gošić-Dondo** (2006): Effects of crop residues on plant lodging caused by larvae of *Diabrotica virgifera virgifera* Le Conte and grain yield. IWGO 22nd Conference, Session 3, November 5-8, 2006, Vienna, Austria, poster 002.
6. Dragičević, V., **S. Gošić-Dondo**, I. Jug, J. Srdić and S. Sredojević (2011): The influence of seed treatments on germination and initial growth of maize seedlings. Book of Proceedings (CD) of the 46th Croatian and 6th International Symposium on Agriculture, February 14-18, 2011, Opatija, Croatia, pp. 654-657.
7. **Gošić-Dondo, S.**, S. Stanković, J. Tancik i L. Cagan (2011): Efikasnost gljive *Beauveria bassiana* (Balsamo) Vuillemin u regulisanju nivoa populacije kukuruznog plamenca *Ostrinia nubilalis* Hbn. *Zb. rez. XI Savetovanja o zaštiti bilja*, 28. novembar - 3. decembar, 2011, Zlatibor, Srbija, str. 112.
8. **Gošić-Dondo, S.**, Stanković, S., Tancik, J., Cagan, L. (2011): The aspect of biological control of *Beauveria bassiana* (Balsamo) Vuillemin activities in regulating a population level of European corn borer (*Ostrinia nubilalis*). Book of Abstracts of the XXII EUCARPIA Maize and Sorghum Conference "Resources in Maize and Sorghum Breeding", June 19-22, 2011, Opatija, Croatia, pp. 153.
9. Popović, D. V. Maier, D. Kojić, J. Purać, E. Pamer, **S. Gošić-Dondo**, G. Grubor-Lajšić and V. Košťal (2011): Use of capillary electrophoresis of nucleotides as a rapid method for insect metabolic status assessment. Conference Book of EUROanalysis16, European Conference on Analytical Chemistry, Challenges in Modern Analytical Chemistry, September 11-15, 2011, Belgrade, Serbia, BC 26.
10. Popović, Ž., J. Purać, A. Subotić, T. Nikolić, D. Kojić, E. Vukašinović, S. Milovac, **S. Gošić-Dondo**, G. Grubor-Lajšić and Košťal, V. (2012): Diapause-specific gene expression pattern in the fat body of European corn borer *Ostrinia nubilalis* Hbn. (Lepidoptera: Pyralidae). Book of Abstracts of the International Conference on Zoology "50 Years of the Department of Zoology", October 8-10, 2012, Hissar, Bulgaria, pp. 27.
11. Popović, Ž., A. Subotić, D. Kojić, J. Purać, E. Pamer, **S. Gošić-Dondo**, G. Grubor-Lajšić and V. Košťal (2011): Diapause-induced desiccation in European corn borer *Ostrinia nubilalis*. Book of Abstracts of the Symposium of Entomologists of Serbia 2011 with international participation, November 21-25, 2011, Donji Milanovac, Serbia, pp. 61.
